BUT FIRST,

# Coffee

We proudly offer craft, top-notch “Seed-to-Cup” coffee exclusively at Neighborhood Jam thanks to our local partners at Topeca Coffee in Tulsa, OK. Topeca is one of the few companies in the world that controls its coffee beans from the time they are planted to the time they are roasted. This “Seed-to-Cup” process allows them to control the quality of the coffee with an obsessive level of attention. It has also given Topeca the chance to extend their family legacy for six generations.
